**The Wright Affair** We're thrilled to have more than half our tickets sold for The Wright Affair. While we welcome our supporters in anything they are comfortable wearing, people occasionally ask about what to wear to a gala celebration. The tickets say "Cocktail Attire". What does that mean to you? Perhaps you can give folks ideas.

**The Wright Affair** He's here! A full-sized reproduction of the Spirit of Mercury statue designed by Richard Bock and recast by Steve Maxson of Kalona. Just one of our many unique auction items.

**The Wright Affair** With very special thanks to The Mason City Public Library for permission to recast this statue. Four statues like this one were featured in the original City National Bank building which is part of The Historic Park Inn Hotel restoration. We'll post additional information about this very interesting piece elsewhere on our Facebook page shortly.
